Anthea@AntheaMakepeace.co.uk

Gender, n., is a grammatical term only. To talk of *persons or creatures of the masculine or feminine gender, meaning of the male or female sex*, is either a jocular (permissible or not according to context) or a blunder.

Fowler's modern English usage (1936)

Gender referring to words; as a synonym for *sex* it is jocular and archaic.

Sex. See Gender.

Happy together ... Elen, left, and Jenny-Anne

Conclusions – What next?

- How do we apply LGB issues to Trans concerns
- Can we make changes to national Surveys?
- Need for good analysis tools
- Design of good local surveys sharing questions with National Surveys
- Longitudinal survey during Transition?
-
